God's Plan for Sharing

Every church is encouraged to ...

1. PRAY GOD WILL GO BEFORE THEM
2. PRAYER WALK/RIDE their church field (during Feb. or March)
3. DISTRIBUTE GOSPEL PACKETS DOOR-TO-DOOR
(weekend or two before Easter Sunday)

Gospel packets will be available soon through your Association.

Executive Board Meets

Dear Baptist Friends,
We had a really good Executive Board Meeting January 18th. A great crowd of church representatives attended and an excellent report came

from our "ministry" leaders. Our Association ministry level is high and the spirit of cooperation seem to be as strong as ever, if not stronger.

A new Task Force was formed to evaluate a plan to form the NEIGHBORHOOD MISSION BOARD here in the Tuscaloosa Association. The Board would call out, commission, train, and encourage 100's of volunteer "neighborhood missionaries" who would seek to reach their own street, neighborhood, workplace, or classroom.

Report of the Task Force will come at the April meeting of the Executive Board.
